Kohler Tier 3 Diesel Marine Generators Selected to Power New Options from Cruisers Yachts

KOHLER, Wis. – September 2016 – Kohler Power Systems, manufacturer of diesel and gasoline marine generators for a wide range of pleasure and commercial craft applications, is pleased to announce the company's 23EKOZD generator has been selected to power a new line of 60 ft. yachts from Cruisers Yachts, Oconto, Wis. The 23EKOZD is part of Kohler's rapidly expanding line of EPA Marine Tier 3-compliant diesel generators and features a Kohler diesel engine as well as the company's highly regarded Decision-Maker® 3500 controller (DEC 3500).

"We're proud to be affiliated with the impressive new 60 ft. yachts being rolled out from Cruisers Yachts," said Greg Klompenhouwer, senior product manager for Kohler Marine. "The company's 60 Cantius and 60 Flybridge offer pleasure craft owners an impressive combination of luxury, comfort, and style – and we anticipate our 23kW diesel generator being well received by those seeking worry-free performance and peace-of-mind on the water."

About Cruisers Yachts

Cruisers Yachts, a division of KCS International Inc., is known as one of the world's premier providers of midsize luxury pleasure yachts from 31 ft. to 60 ft.
