

Total Energy Systems, LLC

2020 Residential Controller Promotion

Special Offering:

- Receive 5% off dealer cost on orders that include 3 or more controllers.
- Receive 10% off dealer cost on orders that include 6 or more controllers.
- Receive 10% off dealer cost plus free freight on orders that include 10 or more controllers.
- Controllers included, but not limited to: GM92090 and GM92089.
- GM95104 is encouraged to be included in your order as this is commonly used when replacing residential unit controllers. See TT-1589 for additional information.
- Receive complete report of prior year purchased parts or high volume parts and accessories, upon your request.

Guidelines:

- Exclusively offered to all dealers in TES Network.
- Normal policies enforced, as stated on packing slip.
- Must submit purchase order to parts@totalenergysystems.com.
- Reference this promotion when submitting your purchase order.

Time Frame:

- Available now through the end of 2020.
